# MMA BELT

The International Mixed Martial Arts Federation, offers to all MMA practitioners worldwide, silicone straps to symbolize their technical level. Indeed, like other martial arts, equipped with a system of technical progression, sanctioned by grades of color.

These grades have an international color code, but are customized to each country, by the presence of the national logo validated by IMMMAF. Only the national federations recognized by IMMMAF are able to acquire these wrist bands. Other organizations, clubs, fighters, practitioners will have to mandatorily provide to their national federations.

The official launch of technical progression and grades will take place in November 2017 at the next amateur world championships in Manama, Bahrain. You can, nevertheless already order your bracelets of grade through your federations.
